Information Disclosure Statement
In Accordance With 37 CFR 1.97 And 1.98

Honorable Sir:

For the convenience of the United States Patent and Trademark Office and pursuant to 37 CFR 1.97 and 1.98, record is hereby made of information which the Patent Office may wish to consider in connection with its examination of the above-identified patent application. Enclosed is a list of all patents, publications and other information submitted for consideration along with a legible copy of any non U.S. patent documents. This Information Disclosure Statement should not be considered as a representation that a search has been made, as a representation that no other potentially material references may exist, or as an admission that the information cited in this statement is, or is considered to be material to patentability as defined in 37 C.F.R. §1.56(b).

This Information Disclosure Statement is being filed either within three months of the filing of this application, or within three months of the date of entry of the national stage as set forth in 37 C.F.R. §1.491 in an international application, or

before the mailing of a first office action on the merits, whichever occurs last. Therefore, no fee should be required. In the event that any fee is required in connection with this Information Disclosure Statement, please charge MacMillan, Sobanski & Todd, LLC, Deposit Account 13-0005.

It is respectfully submitted that applicant's claimed invention is patentable over the enclosed art. Early and favorable action is solicited.

Respectfully submitted,

By Oliver E. Todd, Jr.
